

Give that paws;

Halloween Solutions

THE LIGHTS

We recommend a blanket over your crate or an area/room where your dog can be safe and secure. This room should be dark. Also giving your dog some enrichment to do whilst there. Radio is also in

THE NOISE

We recommend leaving the radio or tv on at all times. Closing your curtains, maybe disconnecting your doorbell for the night of Halloween.

TOYS TO USE

A staff member will advise on what to use. But for example; Kong's, Lick Mats, Long Lasting Chews & fireworks spray (recommended to use with training)

WALKING

Walk before 5pm after that please refrain from bringing your dog outside ! And let it be a sniff walk. Your dog sees the world from its nose. If bringing out to the toilet bring on a short lead and some treats with you. Up your enrichment / mental stimulation for your dog throughout that day.

SEEK HELP

Please if you have any concerns about your dog please seek a professional whether it's your local vet or a trainer. This is to help your dog desensitise the noise.
